DAVID FRANK 1955 - 1971

David was warm, friendly and calm. He really didn't worry about anything. If you were honored to know him as a friend, you knew he was one in a million. He was there when you needed him. He loved to laugh. As we walk down the aisle on graduation day, we, the class of 1973, will remember that a very important part of us is missing. But the memory of his warm smile and sincere eyes will comfort us.

LYNN OST 1955 - 1970

We, the senior class of 1973, will remember with love our classmate and friend, Lynn Ost, whose life was cut short by tragic illness. Lynn was very warm, tender and honest. The first impression she gave was her pleasantness and charm of appearance. In her lifetime Lynn could not tolerate clutter and chaos. She was able to rise above her surroundings when necessary. Lynn shall never be forgotten.

DEDICATION

Peace and brotherhood are the only two factors which have the power to unite and strengthen peoples, nations, and cultures. We, the class of June, 1973, therefore dedicate this, our compilation of memories to the future acquisition of these two ideals.

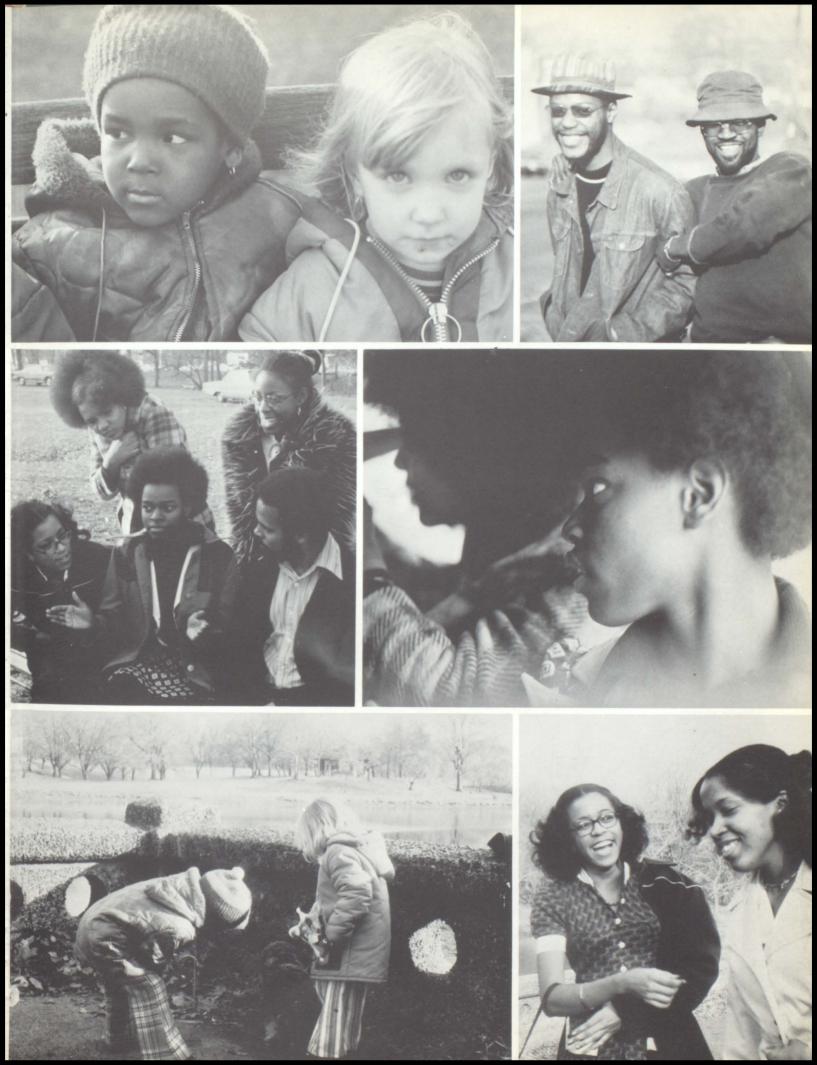

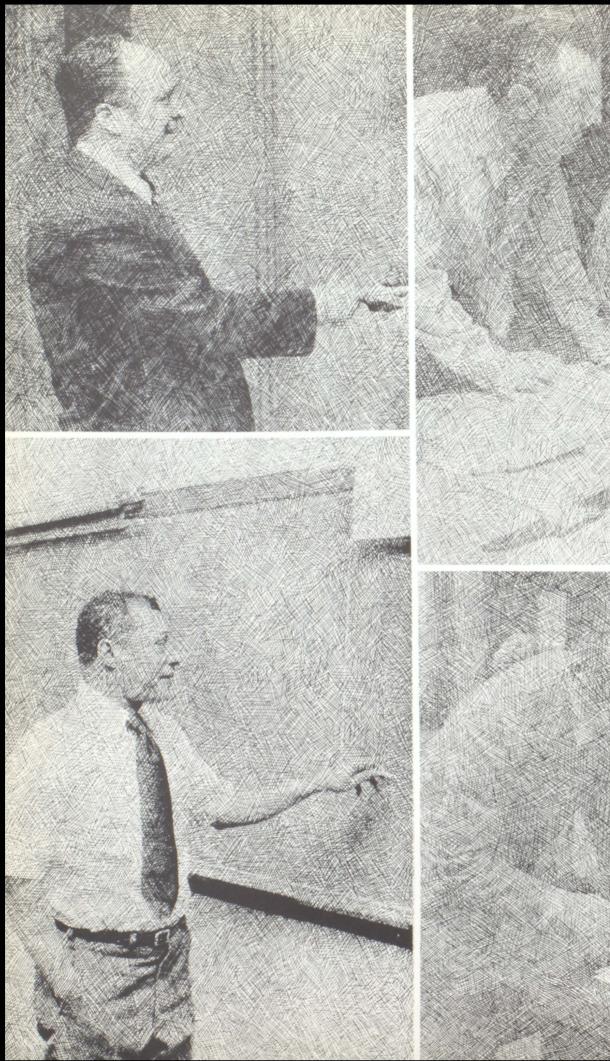

MR. HILTON J. OTERO, B.A., m.a. Principal

"Pride is synonymous with the principalship of Arts High School. This continues to be possible because ladies and gentlemen who strive for excellence continue to seek, to receive and to benefit from an Arts High School education.

The administration congratulates the class of 1973 with the mixed emotions of happiness for their success and sadness for their departure. Buena Suerte."

MR. GEORGE STEISEL, B.A., M.A. Vice-Principal

"My heartiest congratulations to the Class of '73. The events of the past year, such as peace in Saigon, and the privilege of voting present your generation with the opportunity of making the world a better place to live in. I am sure that you will meet the challenge successfully."

MR. ALFREDO GENTILE, B.S., M.A. Teacher to Assist Principal

If a man empties his purse into his head, no man can take it away from him. An investment in knowledge always pays the best interest.

FRESHMAN-SOPHOMORE COUNCIL

JUNIOR CLASS COUNCIL

The Junior Class Council is a determined and capable group of students who fully represent the Junior Class that elected them. The group is geared toward achieving unity and providing a forum wherein the juniors can make their ideas recognized by the school administration and by Student Council. They have been diligently involved in fund raising to defray some of the great financial obligations necessary for graduation next year. The participants have found it to be an enriching learning experience. The highlight of the year will be the comedy farce "You Were Born On A Rotten Day" which concerns science's battle with the forces of astrology. We thank all involved with workshop for their ability to portray the true meaning of "drama."

3-D ART CLUB

Modeling, sculpting, collages and plaster casting are but a few of the activities that were enjoyed by the members of the 3-D Art Club. STAGE CREW

What we see performed on our stage is often very impressive, but what makes it work so smoothly? A very large portion of the credit should go to the Stage Crew, under the excellent leadership of Mr. Marcus and his student collaborator, Douglas Austin. They have assisted in lighting and the setting of scenery and props for various plays and assemblies. Their efforts are very much appreciated by us.

PHYSICAL FITNESS CLUB

Thanks to Janet Mitchell, Editor, and Sharon Bey, Assistant Editor and their hard-working staff for a job well done.

Under the supervision of Mrs. Abend, the Modern Dance Club is designed to help interested students to develop their abilities in dancing through exercise and discipline. Under the direction of Mrs. Gertrude Shapiro, this group exhibits its fine ability twice annually by performing at the Winter and Spring Concerts. Membership in this unique learning experience is open to all females desiring the knowledge and enjoyment that three part harmony offers. The sweet, melodious tones produced are proof of a well-organized musical happening.

Vigorously rehearsed by Student Director, Jacqueline Koonce, and Advisor, Mrs. Jeanne Tso, the African Dance Company has risen to a semiprofessional level. The company was formed to introduce Newark school children and the public to the beauty and excitement of African dance. Interested dancers and drummers are auditioned each September. It is considered by many to be a great honor to become part of this exciting group of performers.

AFRICAN DANCE COMPANY

CHORUS

Mr. Howard rehearsing a small portion of the Chorus.

The dynamic sound of the two hundred and ninety member mixed chorus has thrilled the hearts of many people this year. Any music major who is not an instrumentalist is welcome to join. Two major performances of the past school year were the-Spring and Winter Concerts, in which Howard Hanson's "Song of Democracy" was the highlight. The Concert Choir, a smaller segment of the Chorus, has certainly "done its thing", as displayed by the quality and quantity of concerts in various communities. Members of the Chorus eagerly look forward to becoming members of this select group. They know that what has been accomplished has evolved only under the unique direction of Mr. Robert Howard.

The Student Council is continuing to thrive here at Arts High. Led by Henry Darling as Mayor and Florine Chance, Deputy Mayor, the Council put in another busy year. The school beautification program begun last year is continuing, plus a greater emphasis on scholarship fund raising for worthy students. The man responsible for coordinating the many committees that make up the Council is Mr. Mitchell Keil. It is a difficult and sometimes impossible job. But when student goals are achieved and life at Arts High is improved, all the work will be worth it.

STUDENT COUNCIL

Row One, Left to Right: June Bradford, Debra Dimery. Row Two: Michelle Johnson, Doreen Fletcher, Lynne Wilson, Sandra Lawrence.

The Pep Squad really pulled through this year in boosting our school spirit and morale. Their performance in the Pep Rally was really something as they took over the show to the sound of Eddie Kendricks 'Girl You Need a Change.' The team went on to win the game! Special thanks to the moving cheer of the Pep Squad.

PEP SQUAD

100 per cent.

The Service Committee was formed to aid the school at social and formal functions. The members act as hosts, hostesses and ushers, adding a great deal of warmth to all affairs at which they serve. Orientation Day, College Career Day, Alumni Day and International Day are but a few of the affairs they help to make so successful. The unselfishness of Mrs. Venskus, Advisor, Etta Sample, Chairman, and Deborah Campbell, Chairman, is always evident. The warmth generated by this group will extend well beyond graduation.

SERVICE COMMITTEE

Under the direction of Mr. Karpen, who has taken over for Mr. Pesile, the Arts High Orchestra has excelled in its performing abilities. The quality of performance has always been high and it has not lessened this year. We appreciate its participation in the Winter and Spring Concerts, and have great expectations for future performances. Senior orchestra members look forward to the annual program given at the Kiwanis Club. At this performance it is determined who, of the many talented musicians. shall receive Kiwanis Scholarships.

ORCHESTRA

Mr. Tobia rehearsing a small portion of the Junior Orchestra.

Mr. Singer and a few members of the Band.

Arts High's Band has excelled greatly in its musical exhibitions this year. The vibrant tones created by these talented instrumentalists will long be remembered. Verdi's "Nebucco Overture" and Arlen's "Blues in the Night" were two of the compositions performed which showed their fine skill. The rhythmic sounds rendered by the Pit Band before and after assembly programs hold significant meaning.We'll never forget our trumpeter's "Call to Arms". Another division is the Marching Band which takes part in all parades during the school year. We thank Mr Reuben Singer for his outstanding leadership of this highly skilled organization.

Row 3: Gloria Robinson, Pat Davis, Janiera Warren, Emerson Wells, Pam Sellers, Omega Randleman. Not pictured: Yvonne Magwood, Ronnell Bey.

The newly formed Gospel Chorus under the direction of senior Mark Tyson has been a very much seen and heard group of students. Formed to spread joy through song, this chorus has certainly been successful, as witnessed by the audience response at the Martin Luther King, Jr. Assembly Program. All students who love gospel singing are welcome to join this popular club.

SCIENCE CLUB

Front Row, Left to Right: GraceAnn De Rosa, Carla Robinson, Jane Staller, Etta Sample, Catherine Tyson, Mrs. Venskus. Second Row: Valerie Turlington, Flora Bailey, David Sneed, Kevin Lowther.

The prime purpose of the Science Club is to promote the study of science and scientists. Virtually anyone interested in science is eligible to join. Carrying out such scientific projects as the classification of fluorescent minerals, surveying local pollution problems, initiating cleanup campaigns and reporting worldwide natural disasters are among the many interesting obligations of this organization. Mrs. Mary Venskus and her club meet weekly Thursday mornings at 8:00 in room 219.

LITERARY

VIGNETTE STAFF

It takes a tremendous amount of effort to produce a yearbook that is entertaining and meaningful to the seniors it represents. The technical problems of layout and photography are many, but Robin Nathan, JoAnn Graves, Sharon Bowman, Janet Mitchell and advisor, Mr. Carden, spent many long hours solving them. Gathering information and writing it with style, interest and precision is also a monumental job. Thanks to Daphne Jones, Margaret Blackwell, Sharon Bey, Mr. Carden and the others pictured above, it was all accomplished. We hope you will enjoy the results of our labor.

Kneeling, Left to Right: Sharon Bey, Curtis Raney, Mr. Carden, Carol Davis, Sophia Brown. Standing: Daphne Jones, Joyce Thomas, Denise Banks, Etta Sample, Margaret Blackwell, Valerie Smithson, Gwen Hunter, Denise Crawford, Jackie Gathright.

ART

Sitting, Left to Right: Valerie Turlington, Grace-Ann DeRosa, Etta Sample, Valerie Troup, Jackie Gathright. Row Two, Sitting: Jane Staller, Janie Moore, Cathy Williams, Sandra Walton. Standing: Mrs. Venskus, Flora Bailey, Deborah Smith, Kevin Simmons, Anne Davis, Gwen Tetterton, Catherine Tyson, Cheryl Range, Margaret Blackwell, Ernest Gooden.

Under the direction of Mrs. Mary Venskus, the Lab Assistants' Club is set up to teach members the methods of setting up experiments, performing demonstrations, and the proper cleaning of lab equipment. This is primarily a service club held daily before and after school. Student participants have raised their chemistry grades because of this additional training. The extra time put in is highly beneficial academically, as well as a good basis for a fine student-teacher relationship.

LAB ASSISTANTS' CLUB

GIRLS' TENNIS CLUB

Under the direction of Miss Meyerson, the Girls' Tennis Club is designed to teach basic skills and strengthen one's technique in the sport. Any female of Arts High who successfully passes the physical may take the opportunity to join the team. Practices are held at West Side Park every Tuesday and Thursday. Everyone looks forward to participating in the tournament held at the end of the season. Three year members receive pins, and four year members are given special awards befitting their long interest and participation in this popular club.

VOLLEYBALL

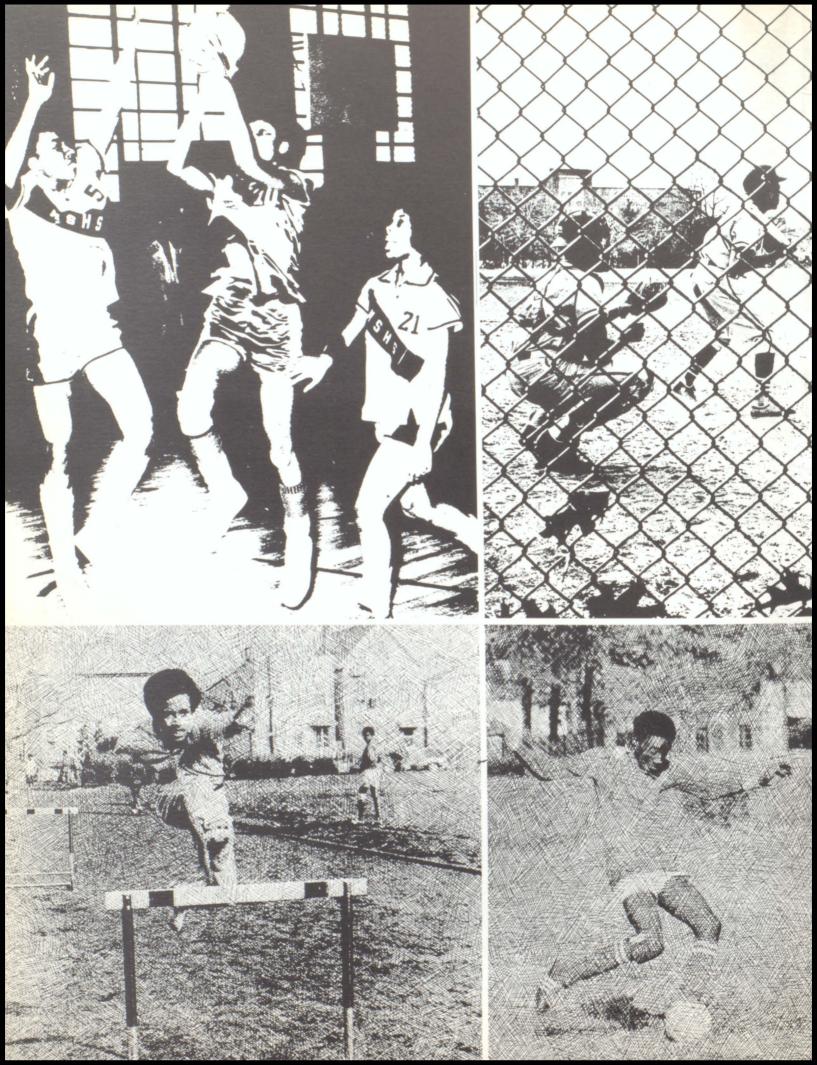

Kneeling, Left to Right: Vergean Burr, Geraldine Battle, Helena McPherson. Standing: Denise Banks, Deborah Banks, Jacqueline Hill, Mary Whitson, Donna Davis.

Under the direction of Mrs. Jones, and student leaders Denise Harris and Janie Moore, the Volleyball Club has been established to provide after-school recreation. It also furthers the development of one's skill in the sport. Following a series of warm-up and practice sessions, the students begin the actual play of the game. Meetings are held every Friday in the girls' gym. Any interested student is eligible to join this extra-curricular activity.

VARSITY CLUB

The large group that you see pictured here, contains some of the most talented and popular young men and women at Arts High. Membership in this highly esteemed club is open to all students who earn a varsity letter. The aim of the group has been to increase interest in athletics, as well as supporting all school athletics and social functions. The annual sports awards dinner held at the end of the Spring athletic season is the highlight of the year.

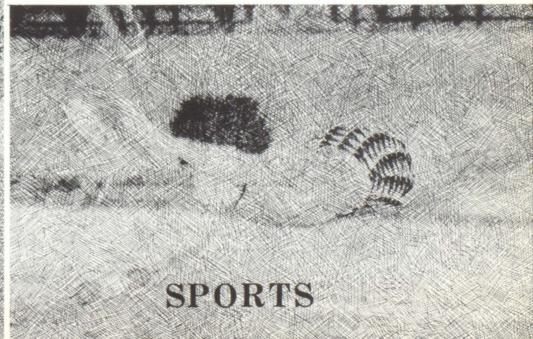

CROSS COUNTRY

Kneeling, Left to Right: Alfred Cunningham, Richard Willis, Darrel Brooks, Pete Collins, James Clark, Kevin Hatcher, Leonard Averett, Michael Copeland. Standing: Gregory Atkins, Ben Lacewell, John Dreher, Robin Nathan, Ernest Gooden, Richard Battle, Tyrone Page, Cyrus Williams, Leonard Chislom, Mr. Marcus.

Ben Lacewell

During the first few months of the school term, an outstanding group of Arts High athletes do some hard but enjoyable work. Every day after school, no matter what the weather may be, they practice at West Side or Branch Brook Park to increase their speed and endurance. Since seven out of eight of their meets were won, the efforts seemed well worth the trouble. They also tied for second in the city meet which is fantastic for a school as small as Arts. Richard Willis and William McCoy were stand-outs of the season. Thanks to Coach Marcus and his team for a job well done!

FENCING TEAM

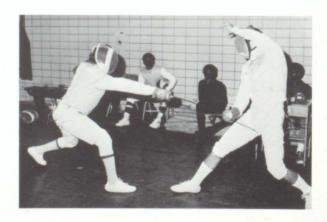

Left to Right: Theron Mays, Shelton Williams, John Dreher, Komone Gaskins, Stuart Williams, James Smith, Darry Jennings.

The Fencing Team had a great season compiling a record of 11 wins as against only 3 losses. It was extremely exciting wondering when and if the winning streak was going to end! It ended only after a phenomenal ten games in a row were won. Sheldon Myers, John Dreher, Devis Lawrence and Theron Mays all played fine matches in this electronically scored game. Practice is held every day during the Fall season and is open to all who are interested in a highly disciplined sport which can develop coordination. Obviously the skills acquired are many since this was the best winning record that Arts High has ever had in Fencing. It was also the first year that the team was invited to attend the State Tournament.

The Swimming Team had a pretty good year, winning 5 meets and losing the same number. We defeated Central once and Shabazz twice. Leonard Randolph was the outstanding swimmer of the season with 107 points and captured two silver medals in the city meet. Richard Battle also did well earning 84 points and winning a bronze medal in the 100 yard butterfly. Another senior, Lance Webb, earned 76 points and won a bronze medal in the 200 yard individual medley. Membership is open to both boys and girls. Practices are held at JFK Pool on Mondays, Wednesdays and Fridays from 3:30 to 5:00.

CHEERLEADERS

Our Cheerleaders have completed another year of hectic activity with Diane Holt as captain and Ruby Sampson cocaptain. The big events of the season in which the Cheerleaders participated were the Pep Rally, State Tournament Games, and the Crispus Attucks Day Parade. The girls' efforts are much appreciated by the whole school as could be evidenced by the school's reaction to their performance in the pep rally. Fall try-outs are open to all sophomores, juniors, and seniors. The girls meet at 2:30 on Mondays and Thursdays in the Girls' Gym.

Kneeling, Left to Right: Adrienne Minatee, Linda Greer, Paula Jenkins, Ruby Sampson, Diane Holt, Omega Randleman, Harriet Hamlin, Janice Holt. Standing: Bencilla Campbell, Carol Mumford, Carolyn Davis.

Ivy Wallace, Sandra Hill, Lynelle Stevenson

This year, as last year, the girls who twirl the "silver shafts" will receive varsity recognition for their efforts. Each member of the squad will receive a full-sized varsity band letter. Their hard work showed in their tremendous pep rally performance. They were cheered and loved by the full audience. They also gave spectacular performances at basketball games and in the Crispus Attucks Parade.

BASKETBALL TEAM

Kneeling, Left to Right: Douglas Austin, Michael Holmes, Bruce Maxwell, Alvin Little, Kevin Johnson. Standing: Mr. Alamo, Kenneth Davall, Douglas Davis, John Bowers, Jeffrey Dunn, James McNair, William Gray, Artur Williams, Alvin Dotson.

The Arts High Basketball Team of 1972-73 did exceptionally well this season with Michael Holmes as captain and John Bowers, cocaptain. They had a season of 12 wins and only 5 losses together with the great success of winning second place in the Vo-Tech Conference. The team also defeated Kinnelon High School in the first round of the State Tournament, although they lost to Chatham Borough in the second round. John Bowers and James McNair were the team's top rebounders; Michael Holmes and Alvin Little, best scorers: and Bruce Maxwell superior at all-around defense. Says Coach Alamo, "The team improved on last year's winning record. This was one of the finest seasons the Arts High Basketball Team has ever had."

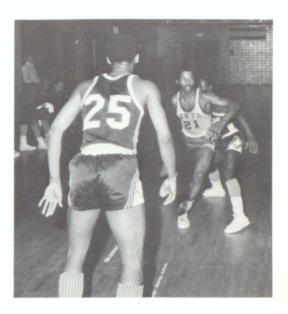

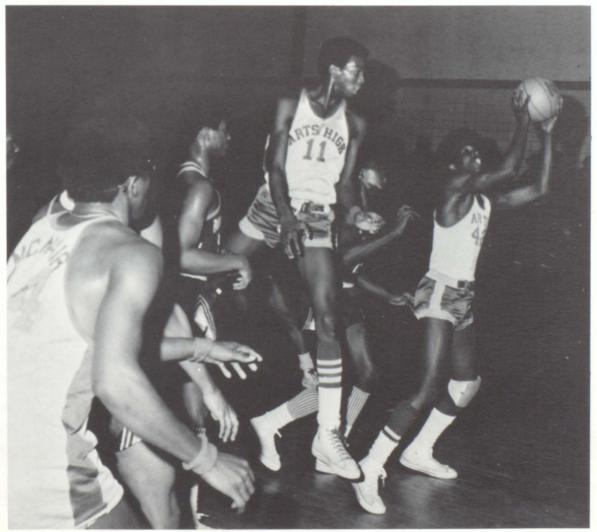

Seniors

Michael Holmes, Bruce Maxwell and John Bowers.

Denise Crawford — Senior

A new sport at Arts this year, the Girls' Basketball Team is a strong club, practicing rigorously every day of the week except Wednesday during the season. Despite their low record of wins, they have the potential, and initiative mandatory for future success. Captain and Co-Captain were Gail McClary and Cheryl Weaver.

Row I, Left to Right: Denise Crawford, Tammy Gilbert, Cheryl Weaver, Gail McCloy, Michele Conte, Nanette Mason. Row II, Left to Right: Stephanie McGregor, Stephanie Horton, Bridgette Bethea, Vanessa Betts, Denise Harris.

TENNIS TEAM

Mr. Benjamin O'Neill coaches the Tennis Team and does a very fine job as witnessed by last year's winning record of 8-6. Senior players are David Sneed, who was the novice finalist last year; Captain Eddie Bright, a member of the Eastern Lawn Tennis Association, and Leonard Randolph. They will certainly be missed next season. Membership is open to all Arts High students and new participants are wanted. The team works out every day during the season at West Side Park.

BASEBALL TEAM

Coach John Lang supervises our Baseball Team which practices every day at the Branch Brook Park Extension. Admittance to the team is open. This year's team includes seniors Kevin Simmons, Michael Holmes, John Bowers, Lance Webb, Ernest Gooden, William Knight and Bruce Maxwell. The last three were on the starting string last year. Anthony Hall plays and manages the team as well. Our Team finished the season with a record of 8-3 last year and we're very proud of them. We wish them success during the 1973 season.

TRACK TEAM

OUTDOOR TRACK

The track team, full of the stamina and take-off power that got them last year's outstanding record of 9 wins and three losses, is still running well. They practiced diligently at Riverbank Park and Arts High, but placing third in the Vo-Tech Conference Meet made it all worthwhile. Richard Willis, a senior and the 1972 City Champ in the mile, along with Senior Tyrone Page, outstanding in the 220- Mile Relay and the long jump, certainly proved that practice makes perfect. Tyrone Page, Alfred Cunningham, Richard Willis, Richard Battle, John Simmons and Robin Nathan will be missed by their teammates and by Arts High after graduation.

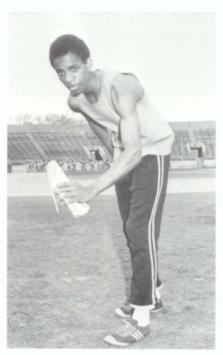

John Simmons

INDOOR TRACK

Despite the short season, the team succeeded in displaying its large amount of talent, drive and great potential. The facts speak for themselves. Tyrone Page — 60 large dash, William McCoy — 880, Richard Willis — 880 and Leonard Chislum — 440 were all champs. This winning team has certainly brought credit to Coach Marcus and Arts High.

The Girls' Track Team is expecting to improve on its record of the 1972 season. Although that was their first season, they learned a lot about the art of competition. Under the supervision of Mrs. Lucas, and the coaching of Greg Atkins, the girls are off to a tremendous start toward a good record for the 1973 season.

GIRLS' TRACK TEAM

BOWLING TEAM

Left to Right: Vanessa Maurice, Eric Anderson, Kevin Lowther, Steven Jenkins, Harriet Mervin. Kneeling: Darryl Lawson.

The Bowling Team, a new competitive sport at Arts High, is coached by Mrs. Jones, a member of the Physical Education Department. The group bowled a good season with a high game of 1000. They defeated Weequahic High four games out of four. Kevin Lowther, the team's captain, is among its highest scorers. Lamont Yancey, Steven Jenkins and William Thomas each bowled individual high games ranging in the 200's. Practices are held on Mondays at Lyons Lanes. Anyone who has ability and some experience may join.
